## *Why Charis Bible College?*

Every successful minister goes through school. It's just a matter of whether it's in a formal educational setting with experienced instructors ready to help or an informal one through the "school of hard knocks," alone. I took the latter route, and I must say, if you survive, it makes a great testimony. However, I don't recommend it!

The Lord led me to start Charis Bible College for the purpose of training people for the work of the ministry. He wanted me to take a unique approach; it had to be a combination of the rich teaching of God's Word and practical, hands-on ministry experience.

Whatever God is leading you to do, preparation is never a waste of time. Statistics show that 80% of ministers drop out of the ministry, and 80% of those who stay are on the verge of burnout. I believe the lack of preparation—spiritually, academically, and practically—are at the root of these statistics.

If you choose to attend, I guarantee you it will change your life and the lives of those around you forever.

God bless you,

## STUDENT TESTIMONY

My first year at Charis has been a life changing journey. If you had said to me two years ago that I would go to Bible College, I would have said 'No way - you've got the wrong man!' But after an extraordinary two years in which things radically changed in my life, I first saw the Lord first heal me from cancer, then heal our little grandson, who was born completely healthy despite the fact that at the 12-week scan, the doctors said that the foetus was not compatible with life. Not long after, in what can only have been the Holy Spirit, I randomly clicked on a Facebook link that took me to Charis Dumfries - a Bible College almost 400 miles from where I live in Sussex. Within a short space of time, I knew it was where I was meant to be as I felt God calling me to Charis. The first year has been focussed on God's Word and has been hugely interesting, inspiring but most of all, personally challenging. I have been a Christian for more than 50 years, but never have I been more thrilled as I have really begun, through studying the Bible and the love and support of the Charis team, to understand the power of God's Word and its capacity to impact our lives if we will only allow it to. I can't recommend Charis enough!

# YEAR 1 COURSE DESCRIPTIONS

## **A Sure Foundation**

Two subjects are covered in this class. The Integrity of the Word expounds on the truth, surety, and infallibility of God's Word. Christian Philosophy shows us that we all have a system of thought but challenges us to examine if it is according to the Word or the world.

## **Basic Bible Doctrines**

Bible doctrine will be covered in this course. Subjects include The Scriptures Inspired, One True God and The Trinity, The Deity of Jesus Christ, The Fall and Salvation of Man, The Present-Day Ministry of the Holy Spirit, Divine Healing, The Return of Jesus Christ for His Church, and Heaven & Hell.

## **Basics of Righteousness**

This class teaches about our Spirit, Soul, and Body and Identity in Christ. Spirit, Soul, and Body is a study that explains how our spirits are complete in Jesus if we are born again and how our souls and bodies should relate to our spirits. The Identity in Christ study shows us from Scripture who we are in Christ— our righteousness and justification.

## **Biblical Ethics and Morals**

This course is a study of various ethical and moral issues from a Biblical perspective that affect a Christian's walk with God and influence with others, including those outside the church.

## **Establishing a Prosperous Soul**

According to Ill John 2 our physical health and financial prosperity are linked to the relative prosperity of our soul. In this course you will learn the keys to establishing a prosperous soul. Some of these principles are finding rest in the presence of Jesus, removing judgments, having a right relationship with authority, being anchored in hope, walking in patience, etc. We will cover these and other essential principles with the end goal of your soul becoming prosperous.

## **Finally, My Brethren**

This insightful study through the first five and a half chapters of Ephesians will cover the foundational steps that Apostle Paul laid out before his often-quoted statements about putting on the spiritual armor. This course will enlighten new scriptural truths and empower you to become more than a conqueror in spiritual conflict.

## **Foundations of Evangelism**

## **Fruit of the Spirit**

God's very first words to man connects our success in life to our fruitfulness (Gen. 1:28). The kind of fruit each believer is called to produce is described in Gal. 5:22-23. This is a picture of the life and nature of Jesus. This course is an in-depth study of each aspect of the fruit of the Spirit. You

will learn the purpose, the rewards, and the means to fully develop and manifest the fruit of the Spirit in your life and ministry.

### **Fundamentals of Faith**

In this course, faith is defined and examined as well as what faith is not. There is a vertical side of faith which is faith towards God, however there is also a horizontal side of faith which is the walk of faith in our natural life. This course will expound on both sides of faith because both are needed to bring about God's plan and purpose in the earth.

### **Galatians**

Paul's inspired letter which is often referred to as the "Magna Carta" of Christian liberty is reviewed and studied in terms of its great themes: grace, revelation, our identity in Christ, faith, the Law vs. the blessing of Abraham, and life in the Spirit.

### **Healing**

The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing. This course will establish principles for health and healing and will explain healing in terms of the spirit, soul, and body of man. We will learn what is required of us as faith-filled Christians, and what is God's part in the process of receiving health in our bodies.

### **Holy Spirit I, II & III**

These are exciting classes that discuss the person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.

### **Intro to the Bible**

A course designed to inspire confidence in the Bible as the Living Word of God by understanding its 1) revelation, 2) inspiration, 3) compilation, and 4) preservation.

### **Let Freedom Reign**

When we talk about freedom, it means different things to different people. For many believers, freedom in a Christian's life is only achieved through great sacrifice and hard work. When we have sacrificed and labored long and hard enough, we are ultimately rewarded with freedom: freedom from sin or freedom from bondage such as drugs, alcohol, pornography or whatever we perceive freedom to be. In this teaching we will discover that freedom in the New Testament is a gift.

Whenever you study the subject of freedom, as seen in the New Testament, there is a fundamental reality that we must understand about true freedom—in Christ we are all born free.

### **Life Foundations**

In the Life Foundations course, you will learn 6 key foundational truths that will revolutionise your relationship with God, empower you to overcome every attack of the enemy, and give you the

ability to minister to anyone, at any time about anything. The most important part of a structure is its foundation. These truths will help you establish a firm foundation in the Word of God.

### **Love of God**

Come to understand how great God's love is for you. Experiencing God's love is not about what you do for Him, but accepting the love God is, has, and continues to demonstrate to you! Learn how the Word declares love over your life.

### **Marriage and Family**

This course will show what the Bible says about God's plan and purpose for marriage.

### **New Covenant Prayer**

Communicating with God is a major part of our relationship with Him. This course is about what prayer can be like in light of the New Covenant. Topics include friendship with God, worship, hearing His voice, praying for others, and doing what we see the Father do. There will be a focus on scriptural examples and real-life application.

### **Old Testament Survey I - VI**

This is an overview of the Old Testament. In this class, students will study the author, historical setting, purpose, and theme of each book; special attention is given to some of the key passages.

### **Operating in God's Best**

How to receive and operate in the blessings of God.

### **Possess the Land**

In this course you will come to understand the relationship between the children of Israel possessing the Promised Land, and believers possessing the 'Land of Promises.' What does it mean to possess the Truth, possess eternal life, our new identity in Christ, our thought life, and God's prosperity? Finally, how do we drive out the enemy who comes to steal, kill and destroy?

### **Prayers Minister Training**

This course is applicable for any believer who wants to be trained in "how to minister" to those in need of healing, providing instruction not only on what the Bible says about healing, wholeness and health, but also how to minister to those dealing with sickness and disease. This is practical hands on training and will be a catalyst for a more effective healing ministry in Jesus name.

### **Principles of Grace and Faith**

The purpose of this course is to understand what grace and faith is and how they operate in our relationship towards God and how they operate towards those around us in our daily life. This course is designed to bring the Christian into a balance of receiving God's grace by faith and demonstrating that grace to all those around us.

### **Prosperity God's Way**

Get established in the purpose of prosperity, identify the real enemies of prosperity, and learn the right attitudes to have toward finances. Learn to develop the right relationship with money, and

run the love of money out of your soul. Jesus tells us in Luke 16 that faithfulness in that which is least - money - will qualify us to be entrusted with true riches - eternal souls.

### **Receiving from God I & II**

This class covers the subjects of Prayer, Healing, Blessings and Miracles, and Harnessing Your Emotions.

### **Relationship with God I & II**

This study emphasises four important truths about God and man's relationship with Him. The Nature of God is a study of God that distinguishes between His character and His acts, contrasting the Old Testament with the New Testament. Hardness of Heart deals with one of the major barriers that keep us from accepting all of God's truth. Authority of the Believer helps us receive the blessings God has for us and shows us how to stop Satan from robbing us. God's Not Guilty shows us from Scripture that God is not the author of our problems, nor does He cause bad things to happen to us.

### **Romans**

Romans—the revelation of righteousness. The Book of Romans is considered by many as the greatest exposition of Christian Doctrine anywhere in the Bible. The revelation of righteousness is the revelation of the gospel. In this class we see the need for the provision of, the way to, and the power of righteousness revealed in Christ and received by faith.

### **The Heart Essence of the Gospel**

Guilt, condemnation, and fear seem to be the motivating factors that define many Christian's lives. Guilt, condemnation, and fear have been passed down from generation to generation because believers have been ignorant to the Heart or "Essence" of the Gospel, and for generations, people have struggled to believe the truth of the "Almost too Good to be True Gospel." Because of the ignorance and lack of understanding concerning the "Essence" of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The "Essence" of the Gospel is all about God revealing His goodness, love, mercy, grace and forgiveness and true nature to a tired, worn out, and hopeless world!

### **The Ministry of Jesus I & II**

An overview of the culture and context of Jesus' life and ministry that will deal with His manner of teaching, the content of His teaching and His declarations about Himself, His relationship with the Father, the Word, the devil, sin faith, prayer and the Holy Spirit.

*Courses are subject to change at the discretion of the ministry.*

# Follow Your Purpose in Year 2

## *Releasing God's Power In You*

Do you long to experience the fullness of God? Many Christians believe the Word of God is true, but do not see His power displayed in their life.

**WE TEACH YOU TO RELEASE GOD'S POWER IN YOU THROUGH HANDS-ON EXPERIENCE**

Your transformational journey continues in Year 2 as you learn to follow the leading of the Holy Spirit. Build on your foundation with practical training and see the seed of God's Word produce passion, confidence, and vision in your life.

The Year 2 programme builds upon the foundation of Year 1 with a focus on practical application. Students are enabled to develop their public speaking skills for both formal and informal settings using spiritual resources and revelation which they have received at Charis.

We find that by the third term students have become confident in sharing the gospel and in their abilities as ministers of reconciliation.

# ALUMNI BENEFITS

When students finish Charis, it is Andrew's strong desire that they would stay part of the Charis family, keeping informed and continuing to stay in touch. This has been made possible through our Learning Management System (LMS), the online platform that allows students to access their teachings throughout the course.

At the end of Year 2, every Charis graduate becomes an alumnus and is then able to access a whole array of benefits through the LMS:

- all Year 1 and Year 2 teachings, in both audio and video format; when future courses are updated with new teachings, alumni can access these too
- teaching videos specific to alumni by recognised Charis teachers and other ministry staff
- a registry of the ministries run by Charis alumni - you would be invited to add your ministry too
- a communication portal, enabling you to connect with the ministry and with fellow alumni world-wide
- ministry news and update announcements

Charis Year 2 students don't just leave – they join the Charis community for life!

## Get your passport ready because missions are a vital part of the Charis Bible College experience!

All Year 2 students are required to take part in a mission trip either abroad or in the UK. These trips give students an opportunity to experience the reality and effectiveness of what they have learned in a 'real life' situation. Mission trips are frequently life-changing events and are often the means of launching students into their calling.

Whatever your calling and wherever it takes you, we will seek to prepare you to make the maximum impact on the world around you. Destinations may vary from year to year.

**Previous destinations include:**

Bulgaria, Hungary, South Africa, The Philippines, Albania, Germany, France and the Czech Republic.

**Many come back with a different outlook on life and ministry and with clear direction for their lives.**

## STUDENT TESTIMONY

“This is my testimony of God’s faithfulness and His love, when the Lord asked me to move countries to attend Year 2 at Charis, I had no idea how my life would be transformed and continues to do so (Phil 1:6). I am so glad I came.

The teachings I received helped me firmly establish my identity in Christ and taught me how to receive His love for me, along with so many other precious truths. These truths help me enjoy a wonderful relationship with the Lord and His word, and live a victorious life every day.

No matter what goes on around me, I know that God loves me and nothing can take His love away from me.

I am loved.”

Living our dreams both in lives and ministry does not only come with the gifting God has given you, or the opportunities you have but by the process of habitually practicing, exercising and preparing your gifting! There is nothing more beautiful for God our Father, than to see us find and live as it were (in the sweet spot) of our lives and ministry.

## **Goal of the Cross**

Learn that the goal of the Cross was to reveal the depths of God's love and teach you how to have a deep life changing relationship! Learn how to grow in greater understanding as you see this amazing love story towards you open up through study of the Word!

## **Healing II**

### **Heart Matters**

Just when you thought you had spirit, soul and body understood, then you hear about the importance of getting the Word of God from your head to your heart. If I'm a three part being, where does that fit? Is the spirit the heart? What about evil thoughts coming from men's hearts as Mark 7:21 states? If my spirit is made new in Christ and complete in Christ, then if my heart is my spirit, how can I doubt in my heart according to Mark 11:23? Is there something wrong with my spirit? Is it possible for your heart to be in neutral? Is it possible for your soul to be in control instead of your spirit? This course deals with all this and way more as we unpack why your heart matters.

### **How to Flow in the Gifts**

God gives us specific instruction in I Cor. 12:1 not to be ignorant of spiritual gifts. Yet this is something many Christians and churches are most ignorant about. These wonderful gifts are given to us to access when our knowledge of the Word (not the Word) and natural resources are not enough to get ourselves and others through a difficult time in life. The basis of our study will be from I Cor. 12, 13, & 14. The goal of this course is to equip each student to understand, be comfortable with, and be confident in releasing and operating the gifts in order. We will provide time during class to activate the gifts.

### **How to Get Along with People**

Someone once said, "If it weren't for people, the ministry would be great." However, the ministry is all about people, so it's critically important to learn how to develop relationships and develop them with the right people. When conflict does arise—and it will—it's also crucial to know how to resolve that conflict according to the Word of God. God's solution works, but you have to know it to put it into practice.

## **How to Study the Bible**

This course is designed to show the student how to study the Bible in a useable way in their daily lives. In this course we will first look at the importance of the systematic study of the Scriptures and then show the practical steps on how to do it. In this course the student will learn how to outline verses of scripture, how to use reference materials to assist in their study, and how to use bible software programs on a PC or tablet to get the most out of their study of the Word of God. The goal of this course is to equip students to study the Bible for themselves and to make it a daily discipline in their life.

## **In Christ Realities**

## **Lifestyle of Intimacy**

Discover how to build and enjoy a vibrant relationship with God. Come to know that relationship with God is not just on Sundays or in a crisis, but it is a lifestyle. Learn keys to knowing God better than ever before!

## **Life of Christ**

God has given each of us a unique purpose and destiny to fulfil. Yet our highest purpose is to be conformed to the image of His Son – Rom. 8:28-29. This course is a study in how you may appropriate and manifest the life of Christ – His character and nature – in the earth today. The focus of this teaching is to help you identify and yield to the image of Christ and to walk in Christ-likeness.

## **Living in Balance**

Life is filled with temptations to live in extremes. A successful and stress-free life and ministry requires achieving a proper balance between sure principles that seem to oppose one another. This course will help you live in a healthy tension between the following principles: grace and faith, the ministry of the Word and the Spirit, vision and wisdom, sound doctrine and unity of the brethren, love and discipline, compassion and confrontation, forgiveness and trust, and being led by the Spirit and submission to authority.

## **Making of a Minister I & II**

Attend Bible College, complete the required courses, receive your ministerial license and ordination papers, and then you are a minister, right? Wrong! God's ways are not man's ways. This course will help you understand the difference between man's and God's qualifications for ministers. By the end of this course you will either be determined to prepare your heart or stay as far away from ministry as possible.

## **New Testament Survey I & II**

This is an overview of the New Testament that notes its place in God's revelation to man. In this class, students will study the author, historical setting, purpose, and theme of each book; special attention is given to some of the key passages.

## **Practical Skills for Godly Relationships**

One of the greatest challenges in life is to get along with other people around us, may it be in the work place, at home and at Church or in ministry. Up to 87% of our success in life is directly related to our ability to get along with other people. The problem with relationships is that 90-95% of the people that we deal with in life are either moderately or severely insecure people. To compound this, most of the time we are also insecure ourselves and herein lies the problem. There is nothing that kills a relationship or a vision, and a ministry quicker than personal and unresolved insecurities. It is important to realise that getting along with other people has more to do with us than it has to do with them. Even though knowing God's love will effortlessly change us and influence the way we relate to others, we sometimes still need to practically work on getting along with other people.

## **Principles of Godly Leadership**

The Bible is full of examples in leadership. Surprisingly, most of the greatest leaders recorded in the Bible were not those voted most likely to succeed. What did God see in them that men could not? Maybe, the same things He sees in you. In this course, Andrew teaches about their characteristics, their character, and the principles that operated in their lives. This course is a must for every believer.

## **The Church Defined**

A course on the role and purpose of the Church from the past to the present age.

## **Walking in the Spirit**

Paul tells us to walk in the Spirit in Galatians 5:16, but he does not explain there what it means or how to do it. In this course you will learn scripturally what walking in the Spirit is and how to do it!

You will also see how you can be led by the Spirit in every area of your life. This course will help you walk out God's plan for your life!

### **Wisdom and Maturity**

Wisdom and maturity aren't automatic or by chance. We can be intentional about the depth of our growth. This course is about the core concepts and practical skills that make us unshakeable and unstoppable.

### **20/20 Vision**

Having a clearly defined vision for your life and ministry is essential in accomplishing God's plan and purpose here on earth. This course will cover the power of vision, fulfilling God's divine purpose, taking a personal inventory, communicating vision to others, developing an effective strategy, building blocks, and the price of seeing a vision through to the end.

*Courses are subject to change at the discretion of the ministry.*

# STUDENT TESTIMONY

The three years of study at Charis were put together so that I could grow layer upon layer, bit by bit firmly rooted in the Word of God. The entire experience has been like building a Michelin Star Victoria Sponge cake. Year 1 was the foundational layer of the cake rooted in the Word of God and Year 2 was the second layer building on that sweet foundation and the world class teachings which I received.

Year 3 was the icing on the cake. The jam and the cream holding the cake together has been the relationships formed and fellowship built with fellow students, which I believe will continue for years to come. Not so long before going into Year 3 I had started my own business. The business teachings that I subsequently received in Year 3 really helped and inspired me to think about how I could practically grow the business into a ministry and how to serve my customers with a spirit of excellence. I had the honour of being the CEO of my business project supported by an amazing team of fellow Charis students and encouraging College staff.

I highly recommend the Year 3 leadership programme because it will allow you to grow and open your spiritual eyes to all the amazing opportunities that God has for you.

# STUDENT LIFE

Alumni often tell us they miss the rich and fulfilling student life they experienced while attending Charis Bible College. For them it wasn't about the many activities and events they attended or participated in but the relationships they built with fellow students.

Warm and intimate classroom settings, small interactive discussion groups, and activities planned around serving others create the environment for complete strangers to become close personal friends. Whether drinking coffee during breaks or ministering in other countries on mission trips, lifetime friendships are established.

Charis attracts like-minded people of all ages and from all walks of life. Some are eighteen, some are retired, and some are in the midst of their various careers and working lives, all seeking a new direction. Some are newlyweds or brand new parents, grandparents or single people. The diversity of our student body makes Charis a unique family environment in which anyone can feel at home.

## STUDENT TESTIMONY

I came into contact with AWMI and Charis for the 1st time through Andrew's teaching 'You've Already Got It' in 2018 and immediately it resonated with me, I knew this was what I was missing. I continued listening to teachings and all content the ministry put out. A few months later I made a personal commitment to join the Distance Education programme. Despite financial hindrances, He continually assured me that all was taken care of.

This year I experienced God's grace in the area of provision where He opened up doors for employment three times, twice without me even going in search of it, the companies came in search of me. It happened just like He said it would. Through the courses, I'm learning how to rest in Him, and trust that I'm hearing His voice.

I'm enjoying studying and interacting with like-minded believers who, like me, are having their hearts transformed by the TRUTH!

# CHARIS UK & WORLDWIDE

Many graduates say that it was whilst attending Charis Bible College that they first began to fulfil God's calling on their lives – to reach the world with the love of Christ. This calling expresses itself differently through each person. Some believers are called to pastor or teach; some are called to the mission field or to plant churches; others re-enter the workforce or minister to their neighbours and friends.

In their different ways each graduate has gone on to make a lasting change in their community. The practical training at Charis enabled them to step out in the unique way God had called them.

If this sounds like the college for you, apply today at one of our four UK Campuses. Please visit our website for up-to-date details.
